Survey Reports

Insurance Surveying and Reporting

ISR Services is a professional Insurance Surveying and Reporting consultancy service providing independent tailored and practical survey reports for the Australian Insurance Industry since 1994.

Products and Services

- Risk Evaluation report (major property risks)
- Standard Property Survey Report
- Public Liability Survey Report
- Machinery and Boiler (with Schedule of Items)
- Contract Works Report (Material Damage)
- Deterioration of Stock in Cold Storage
- Risk Description and Risk Assessment Report

NOTE: ISR Services also provides Employer Protection Programmes for Owners, Directors and Employers' Work Health and Safety and Workers Compensation legal duties and obligations.

Unique Features and Benefits

Your Survey Reports produced by ISR Services may also include:

- An Executive Summary, Survey Notes, a separate report for Risk Improvement Recommendations.

Attachments may include:

- Comprehensive Photos with informative text, a Site Plan, copy of Annual Fire Safety Statement, Dangerous Goods Licence, MSDS's.

Each survey report is emailed to you on time immediately after it is produced, with a hard copy sent via express post a few days later.

Changes to Risk Assessment during recent years

The authorities have introduced a few major changes over recent years, including:

- Fire Sprinkler Systems compliance
- Dangerous Goods Act rescinded and incorporated into the WHS Act 2011
