Capability Statement

ISR Services Pty Ltd (Trading as Independent Safety and Risk Services)

We specialise in:

WHS Legal Compliance and Workplace Safety

ISR Services Pty Ltd is a professional contractor service company which has provided tailored workplace safety risk management programmes and unique policies, systems and procedures in:

- i. Employment Procedures and Practices (including safety induction)
- ii. Work Health and Safety, and
- iii. Workers Compensation

for Australian Industrial and Commercial Business Owners, Directors and Officers since 1994. We have provided our on-going professional risk management products and services for one of the top ten clubs in NSW since 2005. We produce tailored products such as Contractors Handbooks, Safe Work Methods Statements, Safe Work Methods for Off-Site Working, Workplace Safety Inspection Reports, etc.

Business Owners, Directors and Officers have many legal duties under the National WHS Act 2011.

Do you comply with the new WHS laws? Penalties for non-compliance are severe.

Legal Compliance

Our exclusive Employer Protection Manual provides comprehensive legal compliance in WHS policies, systems and procedures combining both the WHS Act 2011 and WHS Regulation 2011.

Workplace Safety

We conduct safety inspections of clients' workplaces, and produce workplace safety inspection reports based on the relevant WHS Regulation 2011, to identify hazards and provide remedial actions for consideration by clients. This is both for established premises and refurbishment/new construction work.
